IMPORTANT NOTICE ABOUT COUNSELLING IN CET-2018

On June 08, 2018, it has been observed that higher merit candidates reported late and then argued about their claim since they are higher in merit.

In our notice of June 05, 2018, the following was clearly mentioned:

'If any candidate reports late, his counselling will be on availability of the seat at the time of reporting (irrespective he/she has higher score in CET-2018)'.

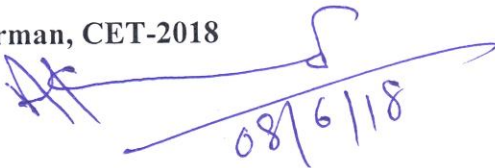

To avoid the misunderstanding among the candidates, the following has been decided:

When time of reporting is mentioned 9.30 AM, the candidates who will report up to 10 AM will be considered in time & actual counselling will start from 10 AM. Late comer will be considered only on availability of the seat at the time of reporting (irrespective of the score (rank)).

Similarly, when time of reporting is mentioned 2 PM, the candidates who will report up to 2.30 PM will be considered in time & actual counselling will start from 2.30 PM. Late comer will be considered only on availability of the seat at the time of reporting (irrespective of the score (rank)).

Besides, all the candidates are advised to bring all the documents and DD of Rs.10,000/- with them. Without DD & documents, candidate will not be considered.

Chairman, CET-2018
