Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		The university was running offline classes before lockdown was imposed nationwide. The teaching was in progress then and internal tests and semester exams were in planning. The university shifted to online teaching mode very swiftly and smoothly with the help of its teaching fraternity. The focus of teachers was to complete the syllabus for each course and prepare students for upcoming exams. Multiple tools and platforms were adopted across all programs in all UTDs. Online classes, telephonic doubt clearing sessions, recorded lectures and providing contents were the key strategies adopted. Online classes were conducted using several platforms such as zoom, googlemeet, webex etc. 5550 online sessions were conducted collectively by all UTDs during lockdown period. Several students were at their hometown and attending online classes on scheduled time was difficult for them due to challenges posed by covid19. The university was empathetic towards them and therefore, teachers recorded their lectures in audio as well as video modes and provided them to students so that they could see and learn at their own pace conveniently. 3000 video and 1050 audio lectures were prepared by the teachers to facilitate learning amongst difficult times. The classes were supported by reading material that was made available to students in the form of ppts, pdf files, articles etc. 12000 number of content was shared with students. All the above measures helped the students to continue the learning process in covid time. They were prepared to appear for online exams well in time. The university conducted its online exams for all programs and was able to declare the results in time. Thus, it was able to save the academic session from delay and living upto its mission of providing inclusive education in time. The university remained committed to academic excellence in online mode as also. Apart from fulfilling the basic need of completing course and conducting exam, the university conducted several webinars. These webinars were conducted by faculty members, departments and several of them were done in collaboration with other institutions. The teachers expressed their compassionate side by providing moral support to the students who faced anxiety and stress in this difficult time. They remained connected throughout the period thereby strengthening the bond more than ever.
