ABOUT THE UNIVERSITY:

Devi Ahilya Vishwavidyalaya, Indore (DAVV) established in 1964, has emerged as a premier institution of higher learning in Central India by creating, advancing and disseminating knowledge. It is the first state University in Madhya Pradesh accredited with "A" grade by NAAC, owning 34 UTDs, offering around 184 academic programmes and more than 270 colleges are affiliated to it.

ABOUT ANAND CELL:

M.P. Government witnessed that there is a remarkable growth in last decade; especially in agriculture, industry, energy, road and irrigation, but at the same time, it is believed that growth rate mainly pertains to only material prosperity of the state without reflecting happiness status of the citizens. For a holistic and happy human existence, inner well being is of utmost significance along with our material advancements. With this view, government decided to set up an **ANAND DEPARTMENT** in year 2016 with the objective of proactively working towards enhancing the subjective wellbeing of its citizens. Under this department, various universities and institutions of MP have been enrolled to fulfil the specified objectives. **ANAND CELL** within our university organizes various programs/ events for improving the happiness index of students, faculty members and staff as well time to time to live a fulfilling life.
