SCHEDULE OF INTERVIEW FOR ADMISSION IN Ph.D. / M.Phil.

INSTRUCTIONS:

Interview: The following categories of students can attend the interview for admission in Ph.D. / M.Phil.:

- A. The students who have qualified Doctoral Entrance Test (DET)-2017.
- B. The students who got exemption from DET after showing the documents related with the given exemption conditions.
- C. The students who didnot appear in the DET-2017 by assuming that they are exempted from DET as they fulfill any of the given exemption criterion.

In case of above criterion 2 and 3 the students should bring with themselves the documents in support of any of the following exemption criterion:

- (i) The students who have qualified UGC-NET with JRF / UGC-CSIR-NET with JRF.
- (ii) Teacher fellowship for research.
- (iii) Any other Government / Foreign research fellowship.
- (iv) Have passed M.Phil. programme (as per UGC Regulations 2009 or amended thereafter) with course work.

The candidates, who have qualified DET but their PG result is awaited, will be allowed for interview if they are able to produce their PG result at the time of interview.

A candidate shall ordinarily be permitted to work for Ph.D. / M.Phil. degree in the subject in which he/she has obtained his/her Master's degree. However, research work leads to Ph.D. / M.Phil. degree may be allowed in allied subject of interdisciplinary nature of the same faculty or of allied faculties. In such cases, candidates may be permitted to work under one or two co-supervisors along with the supervisor.

If the candidate qualified the DET with the subject in which he/she had completed Master's Degree and wants to take admission in an allied subject of interdisciplinary nature, he/she may be permitted for interview in the allied subject. OR If the candidate qualified the DET in the allied subject other than his/ her subject of Master's Degree and wants to do Ph.D./ M.Phil. in the allied subject or subject of PG then he/she may be permitted for admission in allied subject or subject of Master' degree. In such cases permission may be given by the Dean of the Faculty / Chairperson (BOS) of the allied subject after seeing the relevance of the subject of the Masters' degree with the allied subject.

If a candidate wants to pursue Ph.D./M.Phil. in an interdisciplinary/ allied subject other than the subject which he/she has opted for DET-2017 should apply for interview in the School of Studies of allied subject along with a certificate from the respective Head of the Department (DET Centre) certifying that the candidate has qualified the DET and eligible for interview. The name of such candidates will be deleted from the list of the candidates qualified for interview in the subject in which he/she opted for DET and will be included in the list of the candidates for interview in the allied subject.

The students should appear in the interview for admission in Ph.D. / M.Phil. in the subject where they want to take admission. The interview shall be conducted by the Research Advisory

Committee of the concerned subject. The date of interview in each subject will be notified on the website of the University.

The candidates are expected to bring the No Objection Letter from the proposed Supervisor and Co-supervisor (if applicable) duly forwarded from the Head of the research centre (s). The candidates should also bring with them the following documents:

- a. Original certificates and mark sheets along with a self-attested copy of each of the certificate and mark sheet of 10th, 12th, Graduation, and P.G. classes.
- b. Original documents along with a self-attested copy of SC/ ST/ OBC /MP domicile certificate (whichever is applicable) to claim the benefit of reservation, as per MP Govt. rules.

The candidates are required to discuss their research interest / area through a presentation before a duly constituted Research Advisory Committee. The interview/*viva-voce* shall also consider the following aspects, viz. whether:

- the candidate possesses the competence for the proposed research;
- the research work can be suitably undertaken at the research centre;
- the proposed area of research can contribute to new/additional knowledge.

The evaluation in interview will be based on 100 marks to be allocated in the following criteria, each of 25 marks:

- (i) Research plan
- (ii) Research potential/ aptitude
- (iii) Communication skills
- (iv) Subject knowledge in the respective area of research.

Merit list will be prepared on the basis of the marks obtained out of 100 marks in the interview.

The RAC shall finalize the list of the candidates to be admitted to the Ph.D./ M.Phil. programme in the concerned subject as per the merit and availability of seats. It shall also allot the Research centre, Supervisor, Co-Supervisor (if any), and approve the tentative area of the proposed research work.

The final list shall be notified on the University website.

Allocation of Supervisor: The allocation of the supervisor for a selected student shall finally be decided by the RAC in a formal manner depending on the available seats with the supervisor, the available specialization among the supervisors and the research interest of the student as indicated during the interview. In case Supervisor is not working at the research centre a Co-supervisor may be allotted from the research centre to guide and monitor the research scholar at the centre.

In case of topics which are of inter-disciplinary nature where the RAC feels that the expertise in the research centre has to be supplemented from outside, the RAC may appoint a Research Supervisor from the university, who shall be known as the Research

Supervisor, and a Co-Supervisor from outside the Research centre/ Faculty / College/ University on such terms and conditions as may be specified and agreed upon by the consenting Institutions/Colleges.
