

### **Schedule of the seminars by research scholars from Jan 2018 to March 2018:**

Date	Name of research scholar	Topic
06/01/2018	Mr. Manoj Joshi	Certain Preserver problems
13/01/2018	Ms. Neelam George	Some aspects of Frames and its R-duals
20/01/2018	Mr. Umesh Gupta	On certain types of decomposition problems on matrices
27/01/2018	Mr. Arun	Regular graphs and their merging
03/02/2018	Mr. Manoj Joshi	Preservers of Greshgorin sets
10/02/2018	Garvita Agrawal	Functions of several variables
17/02/2018	Shejal Jain	Differentiation of functions of several Variables.
24/02/2018	Ms. Neelam George	Some aspects of Frames and its R-duals
03/03/2018	Manoj Joshi	Preserver problems
10/03/2018	Umesh Gupta	Nil cleanness of 3x3 matrices
17/03/2018	Garvita agrawal	Several variable calculus
24/03/2018	Ms. Neelam George	Some aspects of Frames and its R-duals
31/03/2018	Shejal Jain	Several variable calculus
