

Hands on Training Program 'Basic Techniques in Animal Tissue Culture'

(12th November – 15th November, 2018)

Organized By:

**School of Biotechnology,
Devi Ahilya University, Khandwa Road, Indore – 452001**

Funded By:

**UGC-XII Plan Grant
Devi Ahilya University, Indore**

Introduction:

Animal tissue culture or animal cell culture is an important tool in modern biological research. It is used to understand various pathologies at molecular level, to evaluate novel therapeutics, stem cell based regenerative medicine development, tissue engineering and production factories of commercially important molecules.

Aim of Training:

The aim of this training is to familiarize the participants with animal tissue culture techniques as well as to develop theoretical and practical skills in this domain.

Plan of Training:

Hands on training blended with theoretical background.

Venue:

School of Biotechnology, Devi Ahilya University, Indore.

Timing:

10:00 AM to 6:00 PM

Tentative number of participants:

40-50

Who can participate?

Students (P.G., Research Scholars), Academicians and Researchers from Universities, Government Departments, Colleges, Research Institutes.

How to Apply:

Interested participants should send a completed Registration Form accompanied by the Registration fee latest by the 12th November, 2018. Registration form can also be downloaded from our website <http://www.biotech.dauniv.ac.in/>. Photocopies of the Registration Form may also be used. P.G. & Research Students should get their registration forms forwarded through their respective Heads of Department.

Participants From	P.G. Students/ Research Scholars/ Academicians and Researchers
University Teaching Departments, DAVV Indore	Rs. 800/-
Others	Rs. 1000/-

Registration fee may be paid in cash directly at our School or may be paid by demand draft in favour of
“Registrar, Devi Ahilya Vishwavidyalaya, Indore”

Address for Correspondence:

Dr. Hamendra Singh Parmar
