Sub: Vice Chancellor position in Chinmaya Vishwavidyapeeth

Greetings from Chinmaya Vishwavidyapeeth!

As you may be aware, Chinmaya Vishwavidyapeeth (CVV) was established as a *De Novo* Deemed University under section 3 of the UGC act, 1956. The University is located in the ancestral (maternal) home of Sri Adi Shankaracharya, the spiritual giant of this country, at Veliyanad, 30 kilometers from Ernakulam.

The University is focused on Applied Sanskrit and Indic wisdom. CVV currently offers a suite of UG and PG programs on this theme and is engaged in research in the area of applied Ancient Indian Knowledge (AIK) systems. The university seeks to deploy Ancient Indian Knowledge systems into modern day applications. In order to achieve this a judicious blending of Sanskrit and Ancient Indian Knowledge systems into current day course offerings is being attempted. For more information on the current activities of CVV please visit www.cvv.ac.in.

Our immediate plans include starting research programs focused on the central theme of the university. Furthermore, there are plans to bring out innovative UG and PG programs spanning several areas that can draw substantially from AIK. Further, a host of certificate programs and short duration programs on contemporary applications of AIK for the practitioners, educators and general public is also contemplated.

We are currently on the lookout for a suitable person to be appointed as Vice Chancellor of the University. As is evident from the unique positioning of the University, the incumbent must have a deep desire to lead the efforts in the area of applied Ancient Indian Knowledge systems apart from having academic vision and leadership.

I will be thankful to you if you can bring this to the attention of the senior faculty colleagues in your institution by widely circulating this in your Intranet and other communication channels. Interested faculty colleagues can send their latest CV and other information to the Secretary, Search cum Selection Committee for VC of the University at the following address:
