## Summary of the Event

Mr. Ravi Kumar Singh currently works with Prism- Johnson ltd. He was one of the intellectuals from IMS who was a coordinator of placement cell and also headed HR club (2019-2021).

He told us about all the important points to be remembered throughout the process of campus placements. He focused mainly on the importance of studying the syllabus of HR properly by reading all relevant books and doing certification courses and to be thorough with all the important aspects of HR management. He emphasized on developing an overall personality and face the interviews with full confidence.

Linkedin is a platform where we can portray our skills and knowledge by showcasing our certificates thereby enhancing our profile which was also an important point in his session.

Doing an internship is also very vital to grow in the profession, while doing so a proper record in the form of file or register was suggested.

Supporting all the above points by Mr. Ravi Kumar Singh, Dr. Vivek Sharma also added the importance of writing and qualifying UGC NET.

Mr. Ravi's session was thoroughly influencing and motivating for all upcoming HR's. He covered many important areas of HR syllabus and HR work life.
