

## **IMS-NSS, T.B. Patient Care Program**

IMS-NSS unit has been taking care of allotted T.B. patients to the institute. Each patient is provided with nourished diet each week by the IMS-NSS volunteers. Feedback form is collected and deposited month wise to the NSS office, Devi Ahilya University, RNT Marg, Indore for the questionnaire of Revised National Tuberculosis control program in India. For this different NSS volunteers are assigned.

In the academic session 2018-19, four T.B. patients situated at Indore were allotted.
