About Research Foundation Of India

Research Foundation of India is concerned with improving the educational process by encouraging scholarly inquiry related to education and evaluation and by promoting the dissemination and practical application of research results. Since 2004 RFI was working with higher education foundation for social work, since 2010 Research foundation of India is working for research and development for higher education. This foundation was known by the foundation for research and development, were found by the Dr. S.K. Jain in 1986 with four person member. We conduct in-house activities such as Workshops, Training Programs, Conferences etc. and engage also in outreach activities such as Publications of journals, books etc. RFI more than 20,000 members are faculty, researchers, graduate students, and other distinguished professionals with rich and diverse expertise in education research.

About DAVV Unniversity

Devi Ahilya Vishwavidyalaya (DAVV), formerly University of Indore, is a premier University in Central India, has completed 54 years of establishment, educational commitment and services. It is the First State University of Madhya Pradesh which has been accredited with “A” grade by NAAC. It was established in 1967, by an Act of Legislative of Madhya Pradesh. DAVV is an affiliating State University whose jurisdiction includes seven tribal dominated districts of Indore division. It is catering to the educational needs on one hand to the most important developed district of MP, Indore and on the other hand in the tribal and rural backward districts of the state. The University serves around 3,90,000 students every year through well qualified human resources, with diversified course structure, inter-disciplinary research and value-based education. The University is committed to following vision and mission which has been derived from its motto “Bhoonon Yonah Prachodyat” (Vision). Enforce a premier higher learning institution by creating, advancing and disseminating knowledge with collective wisdom, through value imbued holistic education for peaceful, sustainable and humane society. Mission: Educating and empowering the learners to realize their potential through righteous blending of knowledge, skills, and values for serving the society.
