

SCHOOL OF INSTRUMENTATION
DEVI AHILYA VISHWAVIDYALAYA, INDORE
NOTICE FOR VISITING FACULTY

Date: 20/07/2022

School of Instrumentation invites applications for visiting faculty in the following subjects to be taught during 2022-23-First Semester:

UG Programmes:

1. Dual Degree (B.Tech. & M.Tech.)

Branch: Internet of Things

Semester-I	Semester-III	Semester-V
Engineering Mathematics-I	Probability and Statistical Methods	Signal and Systems
Engineering Chemistry	Digital Computer Organization	Optimization Algorithms and Techniques
Communication Skills	Python	Analytical Instrumentation-I
Object Oriented Programming: C++	Fundamental of Economics	Data Communications
Lab: For all the courses taught in this semester	Engineering Drawing	Computer Graphics
	Lab: For all the courses taught in this semester	Lab: For all the courses taught in this semester

PG Programmes:

1. M.Tech.

Branch: Instrumentation

Semester-I	
Industrial Transducer	Computer Programming and Numerical Technique
Industrial Electronics	Instrument Technology Lab-I
Computer Graphics and Computer aided Instrument design	Process Control and Automation

2. M.Tech.

Branch: Internet of Things

Semester-I	
SYSTEMS DESIGN ENGINEERING	Python for IOT
WIRELESS SENSOR PROTOCOLS & PROGRAMMING	LINUX Systems and Security
IOT TECHNOLOGY LAB-1	

3. M.Tech. (Executive) Branch: Internet of Things Classes on Saturday and Sunday

Semester-I	
Industrial Transducer	Python for IOT
Industrial Electronics	Instrument Technology Lab-I

Interested candidates should apply through following link of Google Form:

[Visiting Faculty Application Form - Google Forms :](https://forms.gle/XgDKkd4X2oy4Y58E8)

<https://forms.gle/XgDKkd4X2oy4Y58E8>

Minimum Eligibility: PG Degree or Ph.D. or NET in the relevant subject.

Preference will be given to the candidates having industrial experience.

Remuneration: ₹ 800 or 400 as applicable as per University (DAVV) Rules

Last Date to Apply is July 28, 2022

Head,

School of Instrumentation
