## **SUMMARY REPORT OF FIRST ICEBREAKER MEET OF DUAA HYDERABAD CHAPTER : BACKGROUND INFORMATION –**

DUAA INDORE HAS INITIATED THE ACTIVITY FOR THE ALUMNI, WHO HAVE PASSED OUT OF DAVV (UTD CAMPUS) KHANDWA ROAD AND RNT MARG.

Based on the discussion and guidance of Prof.(Dr.) Maya Ingle (President DUAA), we have formed the DUAA Hyderabad Chapter. As on Date we have 19 members who have registered in the group. The spectrum covers members students from Early 90's (1990) to late 20's (2020) and pass outs of all major departments from UTD. Many members are now holding critical positions in their organisation.

All members felt that ice breaker meeting is required to know each other and based on the polls the venue and date was decided.

Initially 9 members had confirmed their presence, however due to some family emergencies (coming at eleventh hour) and delayed schedules for some members.
