## DISCUSSIONS POINTS:

1. THIS ALUMNI IS FOR ALL DAVV UTDS  
([HTTPS://WWW.DAUNIV.AC.IN/UTDS](https://www.dauniv.ac.in/utds))
2. AREAS WHERE WE (ALUMNI) CAN OFFER HELP - CAMPUS PLACEMENT,  
ONLINE/OFFLINE CONNECT WITH STUDENTS, MONETARY FUNDING/DONATION TO  
HELP DESERVING YET FINANCIALLY CHALLENGED STUDENTS AND IMPROVE  
DIGITAL TEACHING INFRASTRUCTURE AND SO ON

**Let's keep working towards making our chapter, Alumni, and the Alma mater stronger !!**

- 
3. The Alumni can benefit its members also, thanks to the power of networking. For example - Help each other in need, find better career prospects, find the right partner to launch startup, collaborate with college to do research and development and so on.
  4. Some of us expressed concerns over a few things, especially the quality of students and the course content, we will take this up with Maya mam
  5. We all were from computer background and hence we need to add / expand our network by adding members from others UTDs to be able to help them

**I believe this was the first ever chapter meetup across all the locations, so thanks a ton to those who attended to make it happen. To those who couldn't attend, look forward to see you all next time !!**
