

Mr. Mahesh Gidwani

Convenor

DUAA Bangaluru Chapter

July-21(2024) DUAA-Bangalore Meetup

- A purpose driven, self-motivated leader with a global mindset. He brings over 25 years of experience working with large, small MNCs and also with startups in India and US.
- He launched multiple startups in the past.
- He currently leads product and cloud transformation initiatives at Optum Technologies.
- A firm believer and practitioner of constant learning, developing people to build future leaders, and challenging the status quo in a quest to improve the outcome.
- Outside the boundaries of his professional career, he appeared on national TV channels multiple times, loves playing sports, and travelling.
