OPD Activities

Blood Donation Camps

Blood donation camps have been organized by the center time to time. The objectives were to create awareness and motivate people for blood donation, to help anyone, in case of any requirement for blood and to end the concept of replacement donation by ensuring continuous supply of blood through voluntary blood donation in various blood banks. Some blood donation camps were organized with aid of M.Y. Hospital, Indore at Health Centre.

Eye Checkup Camps

Free eye checkup camps have been organized by the center within every three months. The objectives were to provide free eye checkups, ensure fine condition of eye and vision and identify people who needed surgery for removal of cataract.

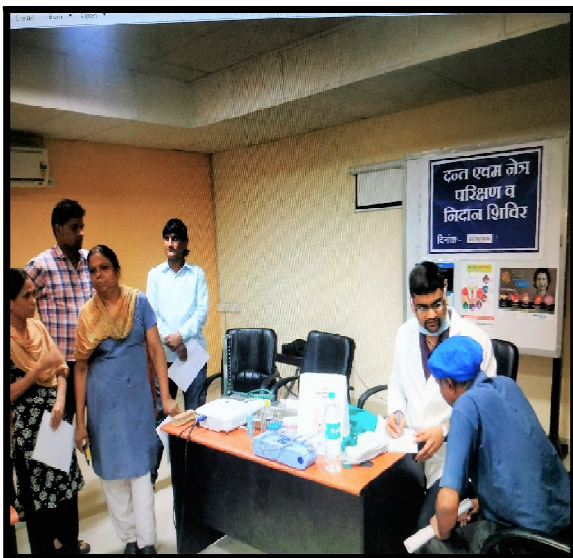

Diabetes Awareness Program and Checkup Camps

Lions clubs international in collaboration with Health Centre, organized “The largest Diabetes Awareness Lesson” at IMS Auditorium, DAVV campus for the students and staff. This is in accordance with the international guidelines to make a Guinness world record. Thousand patients were screened.

Dental Checkup Camps

We conduct dental health checkup camps for the University students and employees on within every two months which prove to be most beneficial. The main objectives of these camps are to impart education on dental issues, oral hygiene, treatments and effective methods of prevention. Our dental camps are specially designed to provide relevant approach to health care needs of the students and employees of the University.

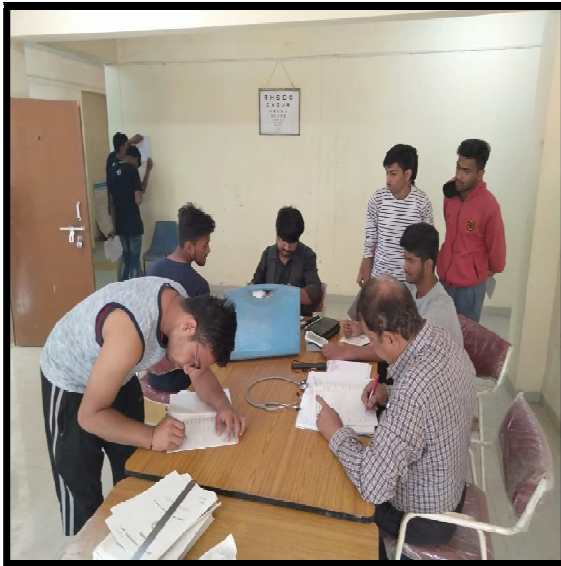

Diagnostic Camps and Medical Aid

Diagnostic camp was organized by the Central Path Lab for two days, where more than 550 patients were investigated for different pathologic tests. Also, on the occasion of Yuva Mahotsav, delegates were provided with all the medical aids round the treatment provided as per needs.

General Health Checkup Camps at Health Centre and Hostels

Free medical camps are set up with a sacred aim to bring awareness amongst the students and employees of the University or knowledge about the diseases they are suffering from. So, our medical camps provide free medical advice, medicine to the patients and refer for specialized treatment or surgery whatever is required. These camps make sure people are getting the healthcare at the right time and seeing the doctor early enough before a small health problem turns serious.

NSS Health Checkup Camp at University

Recently,

with an association of Apple Hospital Indore, a two day complete health check up camp was organized at both of the campus of the university on this Teacher's Day. It was found beneficial for all of the students, faculty members, administrative and other staff of University.

Ample health checkup parameters including:

- B.P.
- Blood sugar
- BMI
- Pulse oximetry
- Pulmonary function test
- Gynecological counselling
- Eye test etc., were assessed.
